Interested in volunteering? Let us know! Individuals and families are welcome!

If you're looking for a new way for you or your family to get involved in the community, then consider volunteering with Iowa County Conservation. A variety of projects are available through the Iowa County Conservation Board. These projects include helping out at the nature center, invasive species removal, basic construction, assisting with special events, and more. If you are interested, please visit our website's volunteer page at <http://iowacountyconservation.org/volunteer/>. When volunteers are needed in your interest and skill area, an e-mail will be sent to notify you of the opportunity. You may then select projects that fit your interests and availability. You can also call 319-655-8465 to be placed on the volunteer list. **Thank you for your support!**
